Approaches to Lifelong Care for Adults With Complex Medical Conditions

INTRODUCTION

Concrete recommendations and special considerations for adults with complex medical conditions remain sparse. This session shares big-picture strategies to consider when providing care for these patients.

This course is a recorded session from the 2021 online conference “Maximizing Outcomes for Medically Complex Patients of All Ages.”

LEARNING OUTCOMES

You will be able to:

• describe current recommendations/considerations for adults with complex medical conditions
• identify ethical and cultural considerations for treating adults with complex medical conditions

PROGRAM HISTORY and IMPORTANT INFORMATION

Recording length: 40 minutes
