From Babies to Teens: Supporting Transitions for Children Who Are Deaf or Hard of Hearing

INTRODUCTION

In this webinar, an educational audiologist and an SLP will discuss using transition resources and collaboration to educate and empower children who are deaf or hard of hearing and their families to build positive educational, social, and post-secondary outcomes. The webinar will address central questions such as: How do I expand the child’s support system to build successful transitions? What ages are important for transition success? What tools are available to ensure successful transitions throughout the childhood/adolescence life span?

LEARNING OUTCOMES

You will be able to:

- List transition tools or resources for young to school-age children who are deaf or hard of hearing
- Identify possible transition challenges for children who are deaf or hard of hearing, their families, and their schools
- Identify team members who are essential to the transition process for children who are deaf or hard of hearing
