FACULTY

Ashley Larisey, MS, CCC-SLP, is a licensed speech-language pathologist who graduated with an undergraduate degree in Psychology/Human Services and a masters degree in Communication Sciences and Disorders. Larisey’s work experiences over the past 10 years include public and private therapeutic day schools, private speech/language clinics, and early intervention. Larisey also serves as an adjunct clinical supervisor at Saint Xavier University and teaches a module specific to the use of technology in the field of speech-language pathology. Larisey specializes in working with individuals diagnosed with autism spectrum disorder, Down syndrome, cerebral palsy, and other developmental disorders. In addition, Larisey has extensive experience working with children and adults who use augmentative and alternative communication (AAC) systems.
