A Culturally and Linguistically Responsive Approach to AAC

INTRODUCTION

In this session, the speaker reviews the characteristics of culturally and linguistically responsive AAC practices and presents evidence-based strategies for culturally appropriate bilingual AAC assessment and intervention. The speaker discusses partnering with families to determine values, needs, priorities, and resources when implementing AAC.

This course is a recorded session from the 2021 online conference “Expanding AAC: Accessible Strategies for Functional Communication.”

LEARNING OUTCOMES

You will be able to:

- develop a culturally and linguistically responsive assessment and intervention plan
- collaborate with the family and prioritize home language maintenance when developing an intervention plan
- customize AAC systems to include relevant vocabulary that is culturally and linguistically appropriate and representative

PROGRAM HISTORY and IMPORTANT INFORMATION

Recording length: 79 minutes
