The Political and Public Policy Landscape and the Future of Medical Speech-Language Pathology

INTRODUCTION

This session provides an overview of the 2021 political and public policy landscape, including issues of importance before the presidential administration, Congress, and the states. The presenter discusses the impact these issues have on the future of the medical SLP and highlights the advocacy efforts ASHA is currently undertaking, empowering participants to advocate for positive change.

This course is a recorded session from the 2021 online conference “Empowered SLPs in Health Care: Breaking Barriers and Shaping Solutions.”

LEARNING OUTCOMES

You will be able to:

• construct personal and professional narratives for the purposes of advocating
• advocate for public policy change at the federal and state level
