Treating R Errors: Evidence-Based Cueing and Practice Strategies

INTRODUCTION
Persisting /r/ distortions are common speech sound errors for many children and adolescents. This webinar will describe /r/ intervention approaches that are rooted in sound science about the phonetics of /r/, basic principles of speech motor control, and evidence-based solutions.

LEARNING OUTCOMES
You will be able to:
• Describe the articulatory requirements for /r/
• Identify cueing strategies that are consistent with current evidence
• Contrast principles of acquisition with principles of learning for successful /r/ treatment

PROGRAM HISTORY and IMPORTANT INFORMATION
