2021 Coding Updates for Audiologists

INTRODUCTION

In this webinar, members of ASHA’s Health Care Economics Committee will explain and discuss recent coding changes, the 2021 Medicare Physician Fee Schedule (MPFS), and the Merit-Based Incentive Payment System (MIPS). Speakers will present new and updated procedure codes for vestibular and auditory evoked potential testing, along with billing requirements. The webinar will include clinical examples to illustrate how audiologists should use these codes for proper coding and billing.

LEARNING OUTCOMES

You will be able to:

- Identify and use coding resource materials for proper billing in your clinic/practice
- Access the most current reimbursement information from CMS
- Use new service, procedure, and diagnosis codes
