2021 SLP Coding, Payment, and Compliance Update

INTRODUCTION

This webinar covers the basic structure, components, and application of the ICD and CPT code sets as well as the very latest coding and compliance requirements for accurate SLP billing in 2021. Participants will receive instruction for correct use of updated CPT codes for communication technology-based services (CTBS) such as e-visits, remote evaluation of patient videos/images, and virtual check-ins. In addition, the speakers will address current status and compliance issues for provision of telepractice services by SLPs.

LEARNING OUTCOMES

You will be able to:

- Accurately use ICD and CPT code sets for basic SLP billing practice
- Apply new CPT coding changes and modifications to billing and claims practices
- Use the 2021 Medicare Physician Fee Schedule to anticipate reimbursement for SLP procedures
- Explain the differences between communication technology-based services (CTBS) and telepractice services
