The Role of Neuropsychological Evaluations in Differential Diagnosis of CAPDs

FACULTY

Dan Peters, PhD, is a licensed psychologist and co-founder and executive director of the Summit Center, specializing in the assessment and treatment of children, adolescents, and families, with special emphasis on gifted, talented, and creative individuals and families. Peters speaks regularly at state and national conferences on a variety of topics, including parenting, gifted and twice-exceptional students, anxiety, and dyslexia. He also writes for The Huffington Post and Psychology Today. Peters is the author of Make Your Worrier a Warrior: A Guide to Conquering Your Child's Fears, and its companion book, From Worrier to Warrior: A Guide to Conquering Your Fears. He is the co-author of The Warrior Workbook: A Guide for Conquering Your Worry Monster and Raising Creative Kids. Peters is also co-founder of ParentFootprint.com, an online interactive parent-training program.
