How to “Process” Central Auditory Processing Disorders

INTRODUCTION

Central auditory processing disorders (CAPDs) can be confusing and challenging for audiologists and speech-language pathologists alike. This session will explain the theory behind CAPDs, clarify the definition, outline some of the controversial aspects, and offer practical strategies for diagnosis and intervention.

This course is a recorded session from the 2018/2019 online conference “Central Auditory Processing Disorders (CAPD).”

LEARNING OUTCOMES

You will be able to:
- define CAPDs and how to diagnose them
- differentiate major aspects of CAPDs
- introduce general screening and treatment strategies for CAPDs

PROGRAM HISTORY AND IMPORTANT INFORMATION

Recording length: 35 minutes
Online conference dates: October 10–22, 2018; April 10-22, 2019
End date: July 1, 2024

To earn continuing education credit, you must complete the learning assessment by July 1, 2024.

This course is offered for 0.05 ASHA CEUs (Intermediate level, Professional area).
