FACULTY

Colleen K. Worthington, MS, CCC-SLP, is a clinical professor and Director of Clinical Education in Speech-Language Pathology in the Department of Hearing & Speech Sciences at the University of Maryland, College Park, where she teaches the graduate course in diagnostic principles and methods. Worthington has more than 25 years of clinical experience and is the co-author of a leading textbook on treatment principles and techniques in speech-language pathology as well as a widely adopted preschool curriculum for facilitating phonological awareness skills as a basis for early literacy development.
