Building and Expanding Your CAS Toolkit

INTRODUCTION

Accurate diagnosis and effective treatment of childhood apraxia of speech (CAS) can be challenging for seasoned and newer clinicians alike. How do we efficiently and effectively assemble and grow our CAS “toolkit”? This webinar will discuss practical tips – rooted in the principles of evidence-based practice – to strengthen SLPs’ diagnosis and treatment of CAS to enhance child outcomes.

LEARNING OUTCOMES
You will be able to:
- evaluate assessment measures and treatment protocols for CAS using critical thinking skills and principles of evidence-based practice (scientific studies, clinical expertise, and client values)
- integrate the three prongs of evidence-based practice to effectively plan treatment for children with CAS

PROGRAM HISTORY AND IMPORTANT INFORMATION

Live webinar date: October 24, 2018
End date: October 25, 2022

To earn continuing education credit, you must complete the learning assessment on or before October 25, 2022.
