Service Delivery Considerations in the Preschool Environment

INTRODUCTION

How do speech-language pathologists provide services in a changing and challenging preschool world? Utilizing multiple service delivery options in the preschool environment can increase relationships with staff and promote progress in students. This session explores service delivery, including practical interventions and ideas to use in various in-classroom models.

This course is a recorded session from the 2019 online conference “Innovative Methods for Preschool Assessment, Collaboration, and Treatment.”

LEARNING OUTCOMES
You will be able to:
- explain how in-class services can benefit preschool students and staff
- collaborate and plan a session with a preschool teacher
- list opportunities for providing speech-language services in the preschool classroom

PROGRAM HISTORY and IMPORTANT INFORMATION

Recording length: 55 minutes
Online conference dates: February 20–March 4, 2019; October 16–28, 2019
End date: February 20, 2024

To earn continuing education credit, you must complete the learning assessment on or before February 20, 2024.

This course is offered for 0.05 ASHA CEUs (Intermediate level, Professional area).
