Navigating Hard Conversations in Palliative Care

INTRODUCTION
Conversations about difficult topics are usually laden with emotions for both patients and clinicians. This session provides communication tools to help you navigate difficult conversations.

This course is a recorded session from the 2019 online conference “Cancer Care: Enhancing Communication, Swallowing, and Quality of Life.”

LEARNING OUTCOMES
You will be able to:
- define palliative care and hospice
- discuss common communication challenges when caring for patients with cancer and their families
- identify and use communication strategies for hard conversations

PROGRAM HISTORY and IMPORTANT INFORMATION
Recording length: 66 minutes
Online conference dates: March 20–April 1, 2019; August 7–19, 2019
End date: March 20, 2024

To earn continuing education credit, you must complete the learning assessment on or before March 20, 2024.

This course is offered for 0.1 ASHA CEUs (Intermediate level, Professional area).
