Memorie M. Gosa, PhD, CCC-SLP, BCS-S, is a pediatric speech-language pathologist and board-certified specialist in swallowing and swallowing disorders with more than 15 years of clinical and research experience. She is the current chairperson of the American Board of Swallowing and Swallowing Disorders and an assistant professor at The University of Alabama. Gosa has published and presented nationally and internationally on the topic of pediatric dysphagia. Her research focuses on establishing the efficacy of common diagnostic and treatment methods used for the diagnosis and management of dysphagia in pediatric populations.
