Feeding and Swallowing Disorders in Toddlers

INTRODUCTION
Feeding and swallowing skills evolve during the first 3 years of life. This session explores the resources needed for effective identification and management of feeding and swallowing disorders in toddlers.

This course is a recorded session from the 2019 online conference “Birth to Three: Working Together to Serve Children and Their Families.”

LEARNING OUTCOMES
You will be able to:
• name the seven evaluation areas for clinical feeding assessment in toddlers
• describe the intervention options available to treat feeding and swallowing disorders in toddlers

PROGRAM HISTORY and IMPORTANT INFORMATION

Recording length: 89 minutes
Online conference dates: May 1-13, 2019; December 4-16, 2019
End date: May 1, 2024

To earn continuing education credit, you must complete the learning assessment on or before May 1, 2024.

This course is offered for 0.15 ASHA CEUs (Intermediate level, Professional area).
