Getting Started With FEES for Swallowing Evaluations

INTRODUCTION

This webinar will walk SLPs through the procedures used in flexible endoscopic evaluation of swallowing (FEES; also known as fiberoptic endoscopic evaluation of swallowing) to evaluate patients with dysphagia. The course will provide a thorough explanation of the laryngeal and pharyngeal anatomy that can be viewed using FEES and guide attendees through exam interpretation.

LEARNING OUTCOMES

You will be able to:
- identify the anatomical areas visualized with FEES
- list the most salient clinical findings of the pharyngeal swallow stage that can be obtained with FEES
- describe potential clinical indications for the FEES exam
