## Interpreting Videostroboscopy: Fundamentals and Clinical Application (SIG 3)

### INTRODUCTION

---

This webinar will explore the use of videostroboscopy and videoendoscopy to inform assessment and management of voice disorders (e.g., identification of physical factors, vocal technique factors, hygiene issues, stimulability testing, etc.). The speakers will describe stroboscopic technique, including scientific underpinnings and limitations, as well as discuss rating forms/scales, assessment protocols, and practice ratings to support clinicians' decision-making regarding videostroboscopy. The webinar will also include a practice activity.

*This webinar is part of the SIGNature Series, a collection of courses developed by volunteers from ASHA's Special Interest Groups, who share practical, evidence-based suggestions and solutions based on their in-depth knowledge, clinical experiences, and passion for their specialty areas. This webinar was developed by SIG 3: Voice and Upper Airway Disorders.*

### LEARNING OUTCOMES

You will be able to:

- Describe how stroboscopic images are obtained, including limitations of the technique
- Explain how videostroboscopy informs assessment and management of voice disorders
- Apply appropriate protocols and strategies in a practice activity and in professional work

### PROGRAM HISTORY and IMPORTANT INFORMATION

---

**Live webinar:** Thursday, November 12, 2020

12:00–1:00 p.m. Eastern time

(11:00 a.m. Central time, 10:00 a.m. Mountain time, 9:00 a.m. Pacific time)

**On-demand webinar:** November 14, 2020–November 12, 2025

To earn continuing education credit, you must complete and submit the learning assessment **within 5 days** of watching the webinar, or **before November 12, 2025**, whichever comes first.

*Interpreting Videostroboscopy: Fundamentals and Clinical Application (SIG 3)*

**ASHA Professional Development** is approved by the Continuing Education Board of the American Speech-Language-Hearing Association (ASHA) to provide continuing education activities in speech-language pathology and audiology. **See course information for number of ASHA CEUs, instructional level and content area.** ASHA CE Provider approval does not imply endorsement of course content, specific products or clinical procedures.

This course is offered for 0.1 ASHA CEUs (Intermediate level, Professional area).
