Barbara Weber, MS, CCC-SLP, BCBA, is in private practice in Pennsylvania. She is currently serving as a volunteer on the Professional Development Committee for SIG 12 and will be serving on the Coordinating Committee beginning in January 2021 for a 2-year term. For the last 10 years, she has been working in early intervention. She has co-authored two books pertaining to early intervention. Weber has presented on ASD, AAC, and Early Intervention at state conferences, university graduate programs, schools, and ASHA. She serves on a local board of a philanthropic organization that supports children with autism in using technology to communicate. Weber is dedicated to building capacity in families to support their child's ability to communicate and specialize in AAC.
