Amy Neel, PhD, CCC-SLP, received a PhD in Speech and Hearing Science and Cognitive Science from Indiana University in 1998. Prior to that, she spent 10 years as a clinical speech-language pathologist after obtaining her master's degree in speech-language pathology from the University of Oklahoma Health Sciences Center. Her teaching interests include speech science, phonetics, and motor speech disorders. Her research focuses on speech intelligibility in normal speech, accented English, and dysarthric speakers, including those with Parkinson's disease and oculopharyngeal muscular dystrophy. She is the Coordinator of ASHA SIG 19 (Speech Science).
