Audiology Coding and Reimbursement: Practice Considerations for the Future

INTRODUCTION

This session will discuss considerations and share tools to help you navigate the evolving audiology coding and reimbursement landscape, including new technologies, third-party administrators, itemization, over-the-counter hearing aids, and the provision of services via telehealth.

This course is a recorded session from the 2020 Audiology Online Conference “Evolving Clinical Practice: Present and Future Considerations.”

LEARNING OUTCOMES

You will be able to:

- describe how to itemize for hearing aid services and its importance when working with third-party administrators
- identify options for the provision of services in an over-the-counter marketplace
- identify considerations for the provision of telehealth services

PROGRAM HISTORY and IMPORTANT INFORMATION

Recording length: 66 minutes
Online conference dates: November 11–23, 2020
End date: November 11, 2025

To earn continuing education credit, you must complete the learning assessment on or before November 11, 2025.

This course is offered for 0.1 ASHA CEUs (Intermediate level, Related area).
