

## FACULTY

---

**Devin L. McCaslin, PhD, CCC-A**, received a master's degree in audiology from Wayne State University and a PhD in hearing science from The Ohio State University. He currently serves as the Director of the Vestibular and Balance Laboratory at Mayo Clinic in Rochester and is an Associate Professor in the Mayo Clinic College of Medicine. He has authored and co-authored publications that cover the areas of tinnitus, dizziness, auditory function, and outcome measures development. McCaslin's major academic, clinical, and research interests relate to clinical electrophysiology, vestibular assessment, and the application of artificial intelligence to manage and treat dizzy patients. He also serves as the Deputy Editor-in-Chief of the *Journal of the American Academy of Audiology* and is the Past President of the American Balance Society.
