Evolving Clinical Practice in Audiology: A Panel Discussion

INTRODUCTION
This panel discussion will explore the future of audiology in various practice settings, including private practice, VA, nonprofit, university, and medical center settings. Panelists will share recent innovations, ideas for how we may rethink audiology in the future, and possible impacts of the pandemic on practice.

This course is a recorded session from the 2020 Audiology Online Conference “Evolving Clinical Practice: Present and Future Considerations.”

LEARNING OUTCOMES
You will be able to:
• describe three innovations discussed during the session
