Return to School Following TBI: Promoting Success in the Classroom

INTRODUCTION

This session focuses on best practices and policies for schools to ensure that students successfully “return to learn” following a concussion/mild TBI.

This course is a recorded session from the 2020 online conference “Maximizing Functional Outcomes for Individuals With Traumatic Brain Injuries.”

LEARNING OUTCOMES

You will be able to:
- explain how TBI affects learning, emotion, and behavior
- use and share strategies to improve the transition of care between medical and educational models for children receiving services
- identify evidence-based materials and resources for supporting students with TBI

PROGRAM HISTORY and IMPORTANT INFORMATION

Recording length: 42 minutes
Online conference dates: March 18–30, 2020; December 2–14, 2020
End date: March 18, 2025

To earn continuing education credit, you must complete the learning assessment on or before March 18, 2025.

This course is offered for 0.05 ASHA CEUs (Intermediate level, Professional area).
