FACULTY

Tanya Eadie, PhD, CCC-SLP, is a professor in the Department of Speech and Hearing Sciences and adjunct professor in Otolaryngology-Head and Neck Surgery at the University of Washington in Seattle. She is an ASHA Fellow and past editor of the Journal of Speech, Language, and Hearing Research (speech section), with more than 60 peer reviewed publications. Her research is funded by the National Institutes of Health (NIH) and is focused on auditory-perceptual and patient-reported outcomes related to speech, voice, and communication in patients with voice and speech disorders as well as head and neck cancer.

Financial Disclosures:

- Financial compensation from ASHA for this presentation
- Presented a similar invited presentation at 2019 ASHA Convention, for which Convention registration was waived

Nonfinancial Disclosures:

- No nonfinancial relationships to the content of this presentation
