Teaching Self-Regulated Strategy Development for Writing

INTRODUCTION

This webinar will explain self-regulated strategy development (SRSD), an instructional approach for strengthening students’ writing abilities. The speaker will introduce and model the approach and discuss how to implement it effectively.

LEARNING OUTCOMES

You will be able to:

- identify steps for developing students’ background knowledge about writing genres and introducing new writing strategies
- model planning and writing strategies—including self-talk—with a “think-aloud”
- list ways to support students’ use of writing strategies during guided practice by empowering the student
