Using Interactive Whiteboards for Fun, Functional Intervention

INTRODUCTION

This webinar will discuss and demonstrate interactive whiteboard technologies as an exciting and impactful way to provide meaningful intervention experiences to school-age children and adolescents. The speaker will share creative ideas and specific examples on how to use Promethean and Smart boards in a fun and functional manner.

LEARNING OUTCOMES

You will be able to:

- identify websites and multimedia that are appropriate to use with Promethean and Smart boards
- use websites and multimedia to motivate and engage school-age children during interactive whiteboard-based intervention
- summarize interactive whiteboard strategies to help students grow their understanding of effective communication
