
2020 Coding, Payment, and Compliance Update for SLPs

INTRODUCTION

This webinar will describe how to effectively implement the latest coding and compliance requirements for SLP billing, including the new cognitive intervention procedure codes. Speakers will differentiate health care payer sources, payment systems, and sites of service (i.e., Medicaid; Medicare Parts A, B, and C; and private insurance) to help SLPs navigate billing and compliance issues.

LEARNING OUTCOMES

You will be able to:

- differentiate billing compliance requirements among payer sources, payment systems, and sites of service
- describe and differentiate between the two health care coding systems (International Classification of Diseases, 10th Revision, Clinical Modification [ICD-10-CM] and Healthcare Common Procedure Coding System [HCPCS])
- accurately code and bill with new cognitive intervention CPT codes
- use the 2020 Medicare Physician Fee Schedule to anticipate reimbursement for SLP procedures
