CAS Assessment

INTRODUCTION

This session—recorded for ASHA’s 2020 Health Care Connect online conference—examines the features of childhood apraxia of speech (CAS), identifies common comorbid conditions, and discusses differential diagnosis of the disorder. The speaker also discusses the professionals SLPs should refer to and collaborate with to best support children with CAS.

LEARNING OUTCOMES

You will be able to:

- Operationally define and rate perceptual features of childhood apraxia of speech
- Create a flowchart that illustrates the differential diagnosis of CAS and other speech sound disorders
- Interpret results of testing to differentially diagnose CAS and other speech sound disorders

PROGRAM HISTORY and IMPORTANT INFORMATION

Recording length: 90 minutes
Online conference dates: July 8–20, 2020
End date: July 8, 2025

To earn continuing education credit, you must complete the learning assessment on or before July 8, 2025.

This course is offered for 0.15 ASHA CEUs (Intermediate level, Professional area).
