

## FACULTY

---

**Nathan Cornish-Raley, MS, CCC-SLP**, is a speech-language pathologist who has experience providing on-site and telepractice services in the U.S. and Australia. Cornish-Raley serves as Professional Development Manager for ASHA's SIG 18 (Telepractice). He is currently the Professional Support Advisor at Speech Pathology Australia, and he also provides clinical services at a private practice in Melbourne. Cornish-Raley's previous experience includes training and supporting telepractitioners from various disciplines at VocoVision in the U.S.

**Joneen Lowman, PhD, CCC-SLP**, is an Associate Professor in the Department of Communication Sciences and Disorders (CSD) at the University of Kentucky. She is the Director of the Center for Telehealth Education, Research and Outreach. Lowman is Project Director of LinKS, a federal grant to train graduate CSD students in the use of telehealth and the Director of the interprofessional graduate certificate in telehealth. Her research, publications, and teaching focus on school-age language disorders and telehealth. She is co-PI on a grant from the National Institute on Deafness and Other Communication Disorders to evaluate a parent behavioral training program for use with families with children who are deaf or hard of hearing. Nationally, she is the Coordinator of the ASHA's SIG 18 (Telepractice) Coordinating Committee. At the state level, she is Vice President for Higher Education on the Kentucky Speech-Language-Hearing Association Executive Board.
